OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE,

Bangalore, 28th November 1929

No. 790 Ex 2
29-30

FROM Rajakaryapravina,
F. G. D'Souza, Esq., B.A., B.L.,
~~The~~ *Muzrai Commissioner in Mysore.*

To Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

In forwarding herewith copy of letter No.571 dated 22nd November 1929 received from the Chairman of the Sri Chamarajendra Veda Maha patasala committee, Bangalore, requesting sanction for the opening of a class in Sama Veda in the Patasala from 3rd December 1929 as an experimental measure till the end of the current official year, I have the honor to state that the Pathsala committee at their --- meeting held an 25-10-29 have resolved that, in view of the fact - that many of the local and mofusil students of the Sama Sakha are experiencing considerable difficulty in getting themselves trained in that branch of the vedas for want of qualified Adyapakas and -- proper organisation for teaching the subject, a class in Sama Veda be opened at once as an experimental measure, securing the services of a competent pandit on Rs.25/- P.M. for the present, the extra cost -- involved on this account for the remaining months of the current ~~of~~ official year being met from the General avings in the provision made for the Patasala in the Budget of the year and also minimising as far as possible the contingent expenditure of the Patasala.

The Chairman in his subseq ent letter of 26-11-29 (vide copy enclosed) states that Sama Veda teacher has been secured and that 8 students have already applied for joining the class and requests sanction for the opening of the class from the 3rd Proximo. The teacher is reported to be duly qualified.

In the circumstances explained above, I request early --

sanction

5

sanction of Government to the starting of the Sama Veda class in the Patasala from 3rd December 1929 as an experimental measure till the end of the current official year, the extra cost involved on this account being met from the General savings of the Patasala as proposed by the Committee.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.571 dated 22nd Nove be 1929 from the Chairman, Advisory Committee of the Sri Chamarajendra Veda Maha Patasala to the Muzrai Commissioner in Mysore.

I have the honor to state that the question of opening a Sama Veda class in the Patasala was considered by the Committee at their meeting held on Friday the 25th Oct. 1929 when it was resolved.

(1) that having regard to the earnestness expressed by certain -- mofussil students of the Sama Sakha and the fact that a good number of local students are also experiencing considerable difficulty in getting themselves trained for want of qualified Adhyapakas and ~~xxxxx~~ proper organsation, attempts be made to secure the services of a competent Pandit and a class in Sama Veda be opened at once, as an experimental measure.

(ii) that the pay of the Pandit at Rs.25/- per mensem during the remaining period of the current official year be met from savings if any, under the several heads of expenditure provided for in the ----- Budget for 1929-30 and the contingent allotment, the expenditure - under the latter item being minimised as far as possible.

(iii) that the Pandit and the students be distinctly told that the opening of the class is temporary, subject however, to its -- continuance under orders of Government and provision of funds.

(iv) that the mofussil students be also told that they should make their own arrangements for boarding.

& (v) that a recommendation to the above effect be submitted to the Muzrai Commissioner for approval.

2. In furtherance of the above recommendations of the committee, I beg to state that there is really ~~xxx~~ great need for Sama Veda class in Bangalore and that many local and mofussil students are desirous of joining the Patasala if a class is opened. Adhyapakas capable of teaching this Veda are scarce and the few Pandits that are now available here and there are also disappearing. Though the numerical -- strength following this Sakha is small, yet this branch of Vedic -- learning is as important as the other two sakhas. The committee are therefore strongly of opinion that this premier institution given -- exclusively to the study of vedas should provide for the teaching of Sama Veda and afford sufficient facilities and encouragement to conserve this ~~xx~~ branch of vedic learning on traditional lines.

3. I beg therefore to request that you will kindly lend your generous support to the proposal and recommend to Government for -

6

for the opening of a class from Tuesday the 3rd December 19..

4. The class will be worked as an experimental measure till the end of the financial year and if it proves successful, definite and complete with proposals to meet the additional cost involved will be submitted for your consideration. The charge during the current year will be met from the sources indicated in the committee's resolution.

The favour of immediate orders is solicited.

In continuation of my official letter dated 22nd November 1929 in the matter of opening a Sama Veda class in the Veda Maha atasala, I am glad to inform you that the committee have been able to secure the services of Vidwan Ramachandra Dikshit who has passed the Vidwat Examination in Sama Veda and in Srouta Prayoga in 1st class and who is said to be highly proficient both in Samhita and Prayoga portions. The Pandit has consented to work agreeably to the conditions laid down in the committee's proceedings of the 25th October 1929, a copy of which has been submitted separately. Eight students have applied to join Samaveda classes, of whom two students are already attending the Sahitya classes in Anticipation of Samaveda class being opened and five local students will join as soon as the class is opened.

In view of the above, I request you to kindly communicate your approval to the Committee's proposals early, so as to enable them to --
